INCREASE CAPABILITIES & BUSINESS REVENUE!

The Series 5 1212 engraver is a user-friendly, desktop engraving machine for those with limited space. It serves as a great production unit for busy shops, and the T-slot table can be interchanged with an optional deep vise for engraving objects up to 3/4" thick. With an 12" x 12 table, this machine is ideal for marking and creating tags, plates, small signs, notary seals, gifts, jewelry, awards, trophy plates, and much more. Engraveable materials include metal, acrylic, brass, wood, or plastic. The easy to use 1212 comes with V-Touch, an advanced integrated touch screen panel, where all the machine controls are at your fingertips.

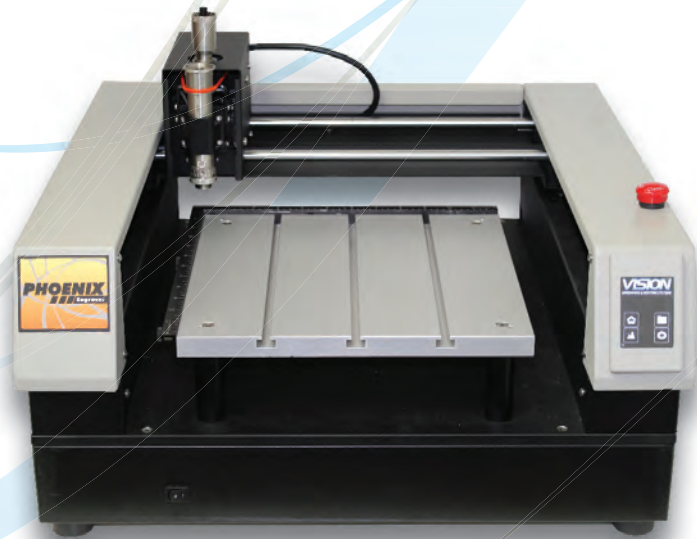

THE 1212 OFFERS:

- Red laser pointer for easy job set-up
- Electronic Sensor for Automatic Surface Setting
- Ethernet connection
- 2-year limited warranty
- Touch screen operation
